

Two Hearts

back
in
the
beginning
of
things
the heavens
decided to
bring
two hearts
together

they knew that
the mixture the blending
of such powerful
elements
would
create
a force
that

no other
in
the
universe
could
withstand
and they
were
afraid
if the pouring
back and forth
between the two
could create such
power
why
should we
do it?
but
being
divine
they knew the
wisdom
of it

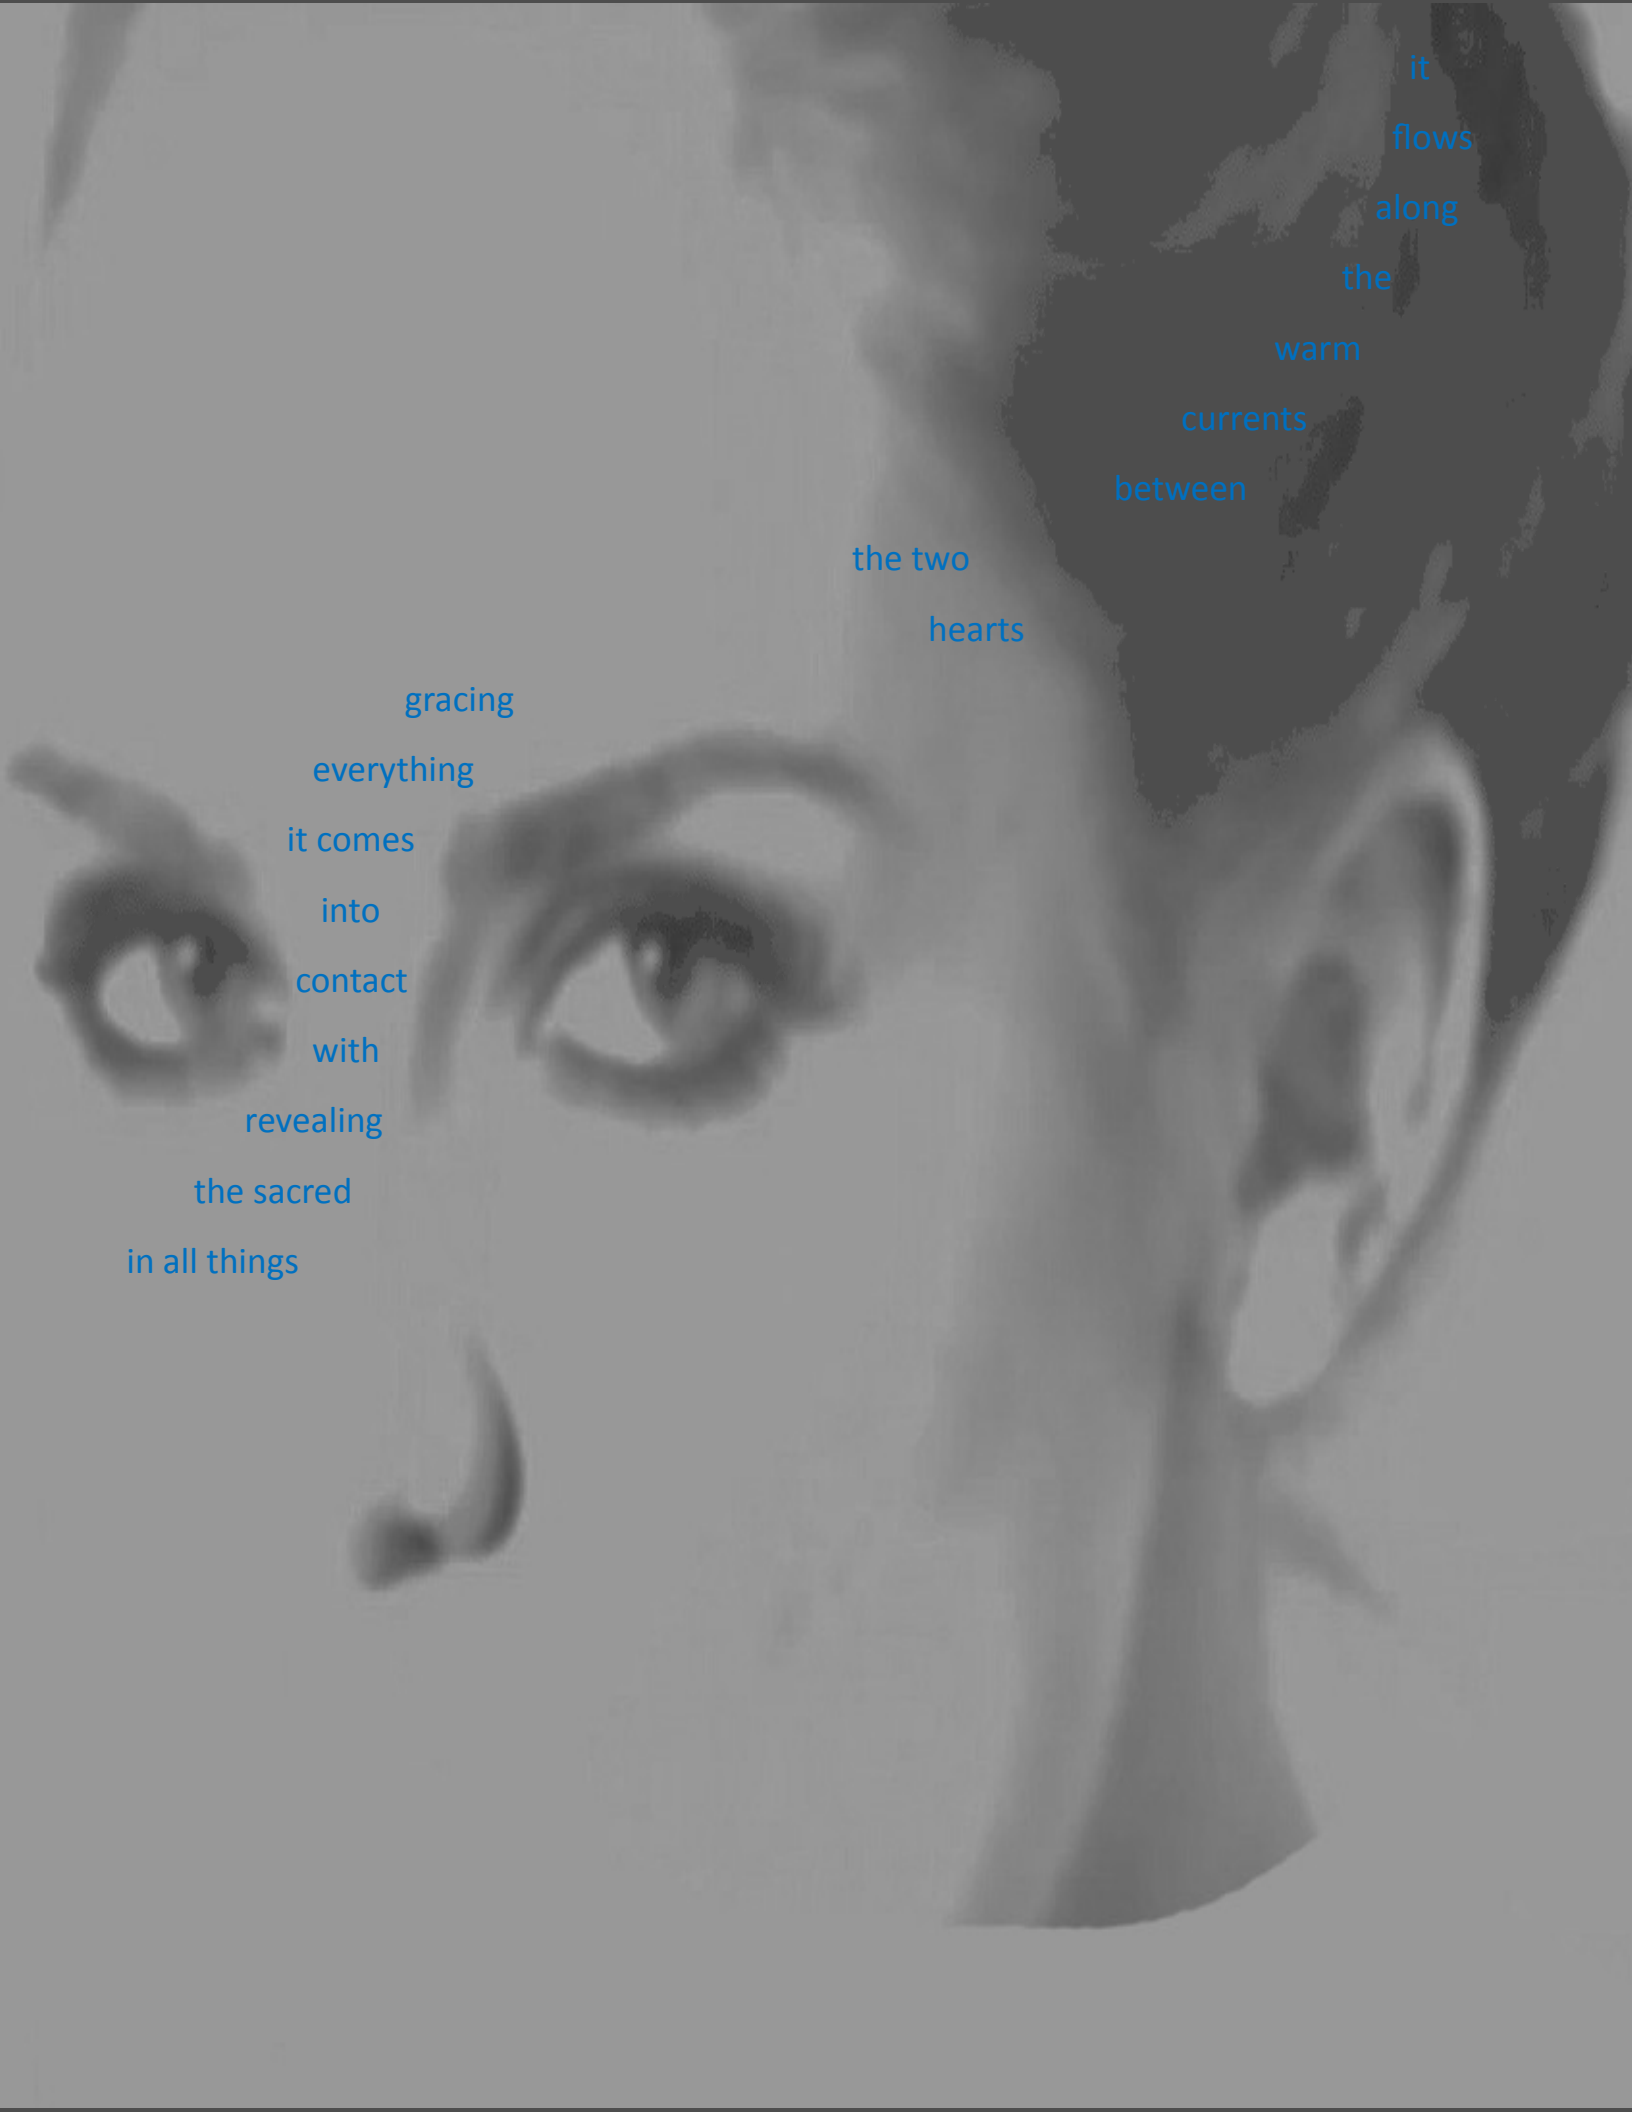

they knew
that the universe
itself
wanted the
two
together
for
all
life
is
blessed
by the divine
when the two
come together

the song
the two
sing
is what
creates
this
power
the melody
is

e v e r y w h e r e

in everything

it
flows
along
the
warm
currents
between

the two
hearts

gracing
everything
it comes
into
contact
with
revealing
the sacred
in all things
